My Dear Mrs. Meyers;

Received your card and appreciate it. I am on my way to the Democratic convention to hear President acknowledge his re-nomination as candidate for re-election which I am to report for the Lithuanian Catholic Daily. The convention has certainly been very enthusiastic and it looks as if Philadelphia is taking a good impression of Democracy.

Regards to all and remembrances in your good prayers. Visited Mother last week and find her well. I hope the eyes improve.
